

NO MORE MARTYRS

Redefining Strength. Embracing Wellness. Building Community.

2016 Minority Mental Health Awareness Summit

~ When Women Speak ~

Glenda Wrenn, MD

Dr. Glenda Wrenn currently serves as an Assistant Professor of Psychiatry and Behavioral Science with the Morehouse School of Medicine. In addition, she is the Director of the Satcher Health Leadership Institute Division of Behavioral Health. Dr. Wrenn received her undergraduate degree in Chemistry and Nuclear Engineering at the United States Military Academy at West Point, and her medical degree from Jefferson Medical College. She completed her residency training in Psychiatry at the University of Pennsylvania. Her clinical and research interests include enhancing resiliency of communities, integrating systems of mental health care, developing effective systems to respond to mass trauma, and addressing health disparities in mental health access.
